Chief DJ Reynolds would like to remind our residents to: *Don't Invite thieves to Break in Your Vehicles!*

- Whether your car is parked in the driveway and or at a store parking lot, don't leave valuables on the passenger seat, floor board, or anywhere else in plain sight! Always either remove and or stow your valuables unseen.
- Also take the time to copy and store the serial numbers of your valuables. You can accomplish easily by simply:
1. Taking the time to write the serial numbers down.
 2. Or simply take a photo each item showing the serial number and store the photos in a safe place.
